

# Monhegan Artists' Residency

A MONHEGAN OPPORTUNITY FOR MAINE ARTISTS  
Sponsored by the Monhegan Artist's Residency Corporation

## Application Guidelines

The deadline for application is a postmarked date of March 28, 2008.

The **application must include the following items:**

1. A one-page, double-spaced artist's statement that reflects your artistic vision and expectations of what you would like to accomplish during the Monhegan residency.
2. A one-page résumé or curriculum vitae.
3. A CD of 10 to 15 (no more) images of recent work (preferably completed during the previous 12 to 18 months). Be sure to preview the CD (it is best to do this on a different computer than the one used to produce it) to make sure it works properly. A Powerpoint slide show is also acceptable if it can be submitted on a CD.
4. Include a printed checklist of the images in the exact order in which they appear, giving title, date, dimensions, medium, and, briefly, any other relevant information. Digital images can also be identified with captions.
5. If you want your CD returned, please include a self-addressed, stamped envelope.
6. One letter from a professional recommending you for this residency.

Please do not send any other supplementary materials, as we cannot be responsible for their return and they will not be reviewed during the selection process.

### Send Application Materials to:

Monhegan Artists' Residency  
P.O. Box 187
