

Application Guidelines

The dates of the 2010 summer residency are Saturday, August 28 to Saturday, October 2.

The deadline for application is a postmarked date of April 1st, 2010.

The application must include **ONLY** the following items:

1. A compact disk (CD) containing exactly 6 (six) digital images of recent work (completed during the previous 12 to 18 months). Images should be saved as high-quality jpegs with the widest dimension *at least* 1024 pixels and a resolution of *at least* 150 dpi; no larger than 4.0 MB per image. Be sure to preview the CD to make sure it works properly. It is best to do this on a different computer than the one used to produce it. Include either captions for each image or a printed checklist in the exact order in which the images appear, giving your name, title, date, dimensions, and medium. Please do not include supplementary information, commentary, or descriptions.
2. A one- or two-paragraph artist's statement that reflects your artistic vision and expectations of what you would like to accomplish during the Monhegan residency (double-spaced, 200 word maximum length).
3. A one-page résumé or curriculum vitae.
4. One letter from an individual in the visual arts recommending you for this residency.
5. If you want your CD returned, please include a self-addressed, stamped envelope.

Please do not send any other supplementary materials, as we cannot be responsible for their return and they will not be reviewed during the selection process.

Send Application Materials to:
